Editor's Notes

The 2012 IEEE 12th INTERNATIONAL CONFERENCE ON BIOINFORMATICS & BIOENGINEERING (BIBE) hosted an electronic paper submission process for the conference. It was the responsibility of the submitting Author to ensure that the final submitted paper was corrected according to the reviewers' comments, viewable and without errors that would prevent the Conference from including the paper in the CD ROM or Print Proceedings.

In the event a paper was submitted that was not according to the above, the Conference elected to only publish the abstract of the paper in the Proceedings.

All conference papers were peer reviewed by experts chosen by the theme chairs.
